

2nd OGEX & LSS CONFERENCE

SSMI LSS GRADUATION

This unique conference is focused on building Organizational excellence and use of Lean Six Sigma, providing an opportunity for the CXOs and Quality practitioners to understand how competences in structured problem solving methodologies can be a unique value proposition in a competitive market. The event will feature world renowned speakers visiting the Asia to share their experience and knowledge, explaining how use of Lean Six Sigma can be used to create velocity of value and achieve exponential results for organizations. Conference will also feature key Organizational Excellence and Lean Six Sigma Case Studies by the Master Black Belts from Sri Lanka, Bangladesh and Vietnam. This event is combined with the award ceremony for the SSMI Lean Six Sigma Master Black Belts, Black Belts, Green Belts and Yellow belts certified in 2017/18 and 2018/19.

30th Oct 9.00 AM onwards Waters Edge, Colombo, Sri Lanka
